Athletic Involvement/Accomplishments	<ul style="list-style-type: none"> Does not include anything about athletics 	<ul style="list-style-type: none"> The applicant shared few accomplishments. The reader gained very little sense of the applicant's drive, initiative, or effort to athletics throughout their high school years. 	<ul style="list-style-type: none"> A few athletic accomplishments were represented. The reader was able to gain a general sense of the applicant's drive, initiative and committed effort to athletics at SHS. 	<ul style="list-style-type: none"> The applicant shared many athletic accomplishments. The reader gains a clear impression of who the applicant is and their drive and commitment to SHS athletics. 	<ul style="list-style-type: none"> Athletic involvement is evidenced throughout the project. All the applicant's athletics achievements were represented. Leaves a lasting impression with the reader. 	
Community Impact	<ul style="list-style-type: none"> No reference to Sunnyvale or the community 	<ul style="list-style-type: none"> The applicant only included one example of how they impacted the community or how the community impacted them. There are no details about the examples. 	<ul style="list-style-type: none"> The applicant shows their impact with the community by including a few examples. The examples do not include specific people, experiences, places, etc. The reader is not left with a sense of how the applicant had an impact on Sunnyvale or how Sunnyvale impacted the applicant 	<ul style="list-style-type: none"> The applicant gave many examples of how they were impacted by the community or how the community impacted them. There were some details about people, experiences, places, etc. within the examples. The reader is left with some questions 	<ul style="list-style-type: none"> The applicant has made clear and significant reference to their impact on the community or the impact the community has had on them. The reader can sense the involvement that the applicant had with the community. The applicant has clearly demonstrated their community impact by showing specific people, experiences, places, etc. 	
Personal Character	<ul style="list-style-type: none"> No personal character references noted 	<ul style="list-style-type: none"> Very little is provided to show a sense of who the applicant is. The reader has a hard time gaining a sense of the applicant's individuality or what makes them unique. 	<ul style="list-style-type: none"> Some evidence is provided to help the reader gain a sense of who the applicant is. 	<ul style="list-style-type: none"> The applicant provided some information about their personality, interests, and values to help the reader gain a general sense of who they are and what makes them unique. 	<ul style="list-style-type: none"> The reader gets a great sense of the applicant's character and what makes them unique. Can tell a lot about the applicant's personality, interests, and values. 	
Creativity	<ul style="list-style-type: none"> No effort to be creative. 	<ul style="list-style-type: none"> Image is simplistic but there was some thought. 	<ul style="list-style-type: none"> Idea is not original, but there was a lot of time and effort put into making a lasting impression 	<ul style="list-style-type: none"> Original idea, but not a lot of thought went into making a lasting impression on the reader 	<ul style="list-style-type: none"> Original idea and very creative. Makes a lasting impression. 	
Neatness	<ul style="list-style-type: none"> Left lots of space uncovered without intention. Not neat/legible. 	<ul style="list-style-type: none"> Looks okay but can tell that it was a rushed effort. Many grammar, spelling, and mechanics mistakes. 	<ul style="list-style-type: none"> Can tell what the topic is but it's hard to connect all the elements with it. Attention to detail is lacking. Handwriting needs improvement. Some grammar, spelling, punctuation mistakes 	<ul style="list-style-type: none"> Has a few minor problems Most of the words and grammar are spelled correctly. Handwriting is good 	<ul style="list-style-type: none"> Great attention to detail. No unintentional white space. Legibility and mechanics are nearly perfect.
